Dear colleagues,

Reference is made to the attached draft audit report of "UNHCR reintegration cash grant programme for refugees returning to Sri Lanka" that was addressed to the HC and that requires a response by 4 June 2012.

The draft report has taken into consideration the comments provided by the Representation on the detailed audit results. If you have any additional comments, kindly ensure that they are sent directly to OIOS by the given deadline and that a copy of the response is shared with Stephanie Rinvile and Nicholas Birch, Audit Coordination, Office of the Controller.

We wish to remind colleagues that the response to the draft audit report will be included as an annex to the final audit report.

Thank you for your kind attention.

Kind regards,

Nicholas Birch
Audit Coordination
