Dear Tilchand,

It was great to exchange with and Daniel this morning on the subject matter. While recognizing that the final decision on this issue rests with Member States, we see a lot of merit in your draft recommendation contained in paragraph 17. Strengthening programme 9 has been one of the Secretary-General's priorities. It is in this context that the proposed realignment of OSAA and OHRLLS was envisioned. We are hopeful that the assessment of this experiment currently being conducted by Mr. Diarra's Office will consider as option OIOS suggestion in paragraph 17.

I look forward to working with you and this and other important matters before us.

Best wishes, parfait

Tilchand Acharya

Dear Mr. Onanga-Anyanga, Thank you for meeti...

Dear Mr. Onanga-Anyanga,

Thank you for meeting us regarding the subject audit with particular regard to the recommendation contained in paragraph 17 of the draft audit report dated 14 June 2011.

As discussed, I would be most grateful if you would kindly indicate EOSG's acceptance of the recommendation in principle elaborating on the efforts already underway to strengthen OSAA's leadership responsibility for programme 9. OSAA's proposed engagement of a consultant in this regard may also be mentioned as part of such efforts.

An e-mail response from your end would be most helpful. Many thanks. TA
